BE REWARDED FOR YOUR HARD WORK

These scholarships are prestigious, but that doesn't mean they're impossible to get, and some of them are automatically awarded when you get over a certain ATAR...

There are no guarantees, but if you apply you may surprise yourself.

It's really important to check all the details about the scholarships, call the institutions yourself and have a chat if you have questions, do your own research and check all the dates so you don't miss out or waste your time.
