BANKING INFORMATION

Scotch Bank Details

BSB: 036 034 / Account: 820503

General Ledger: 401.24 (Sub allocation: Community and Service)

Scotch College will deposit the notes but the coins are to be taken to the bank and deposited via the coin counting machine with an access card held in the Scotch College Finance office (Westpac bank / Claremont branch). The access card allows all the coins to go straight into the Scotch bank account. The receipt provided by the machine must be returned to the Scotch College Finance office so the payment can be identified on our bank statement the following day. We are able to bank the coins if students are unable to.
